ENERGY FLOWS WHERE INTENTION GOES.

The form consists of a large circle divided into two semi-circles by a vertical line. Each semi-circle is further divided into a grid of concentric arcs and radial lines, creating a series of small rectangular cells. In the center of the circle, the text "ENERGY FLOWS WHERE INTENTION GOES." is written in a circular arrangement. To the left of the circle, there are several horizontal dotted lines for writing.

POSITIVE ENERGY IS CONTAGIOUS.
